

NURSE POINT

ABOUT US

Nurse Point Magazine is a quarterly publication for the "real world" of nursing: the high-stress shifts, financial navigation, career advocacy, and the personal well-being of nurses. We connect healthcare brands with the most engaged and influential audiences in the medical field: **our nurses**

our audience

The Practitioners
The Aspirants
The Veterans
The Decision-Makers

accessed by
120,000+
nurses nationwide
